Job Posting

Deputy Superintendent of Public Works – Field Operations

The Town of Hanover is accepting applications for the professional position of Deputy Superintendent of Public Works (Field Operations). This position is a senior member of the management team of a tech-savvy and customer service oriented mid-sized public works operation. The successful candidate will play a critical role in the operations of the department, working with the Director of Public Works and other senior management to provide administrative and field supervisory oversight of the Town's highway, public grounds, equipment repair, snow and ice control, and solid waste operations.

The successful candidate will supervise a staff of 18 skilled and semi-skilled personnel and will work closely with managers and personnel from other public works and Town disciplines. Candidate will be responsible for understanding, planning, prioritizing, and driving the handling of information, customer requests, and operation and maintenance activities of the assigned areas of responsibility.

A bachelor's degree in a related discipline, or an associate's degree and sufficient practical knowledge, as well as 5-10 years of experience in construction management, public works operations, or a related field are highly desirable. Exceptional experience in public works operations may be substituted for the required educational background. Strong communication skills and an aptitude for computer software are essential. Individuals with field engineering experience or those interested in advancing their careers into senior public works management are encouraged to apply.

Salary will be commensurate with qualifications and experience. Resumes will be accepted until the position is filled, but those submitted before August 17, 2018 will be given the strongest consideration. Interested applicants should submit a cover letter and resume to the Director of Public Works at vdiniak@hanoverdpw.org with "Deputy Superintendent – Field Operations" in the subject line. (Posted 7-11-18)

The Town of Hanover is an Affirmative Action, Equal Opportunity Employer.
